Article 2 **Negotiations Process**

A. Purpose

Since BOCES is a service agency responsible for meeting the ongoing needs of its clients, ongoing flexibility and change will be required for BOCES to continue as a healthy, responsive organization. Therefore, it is agreed that it is in the mutual interest of all parties to establish a collaborative process for considering and making recommendations on proposed changes affecting the terms and conditions of

employment identified in this Agreement.

B. Collaborative Bargaining Process

The collaborative bargaining process will follow the models proposed by Fisher and Ury (interest bargaining) and Covey (win-win agreements). These two models emphasize effective communications to understand the needs and interests of the other parties and then pursuit of solutions that successfully accommodate the needs and interests of both parties. Where possible, external criteria or standards are to be used to judge the appropriateness of the proposed solutions. Rather than making the negotiations process something that occurs annually or when the existing Agreement ends, ongoing problem-solving and changes will be accommodated by an ongoing collaborative bargaining process. Once consensus is reached, proposed changes to the Agreement will require approvals by the official representatives of the two parties to the Agreement.

C. Collaborative Bargaining Team

1. Membership - This Team will consist of a maximum of three ITPA representatives and three BOCES representatives. Outside consultants may be used.
2. Meetings - The Team will meet at least bi-monthly at times and locations mutually agreed upon.
3. Study Teams - It is anticipated that the Team may wish to create study teams to investigate specific issues or problems and to report back to the Team with recommended solutions to these specific issues or problems. Study teams, when established, will only deal with the issue or issues for which they were created and charged.

Article 3 Collaborative Problem-Solving Process

A. Purpose

In order to assure ongoing communication and cooperation among the parties to this Agreement, a communication/problem-solving/conflict resolution process is needed. The goal is to solve problems and resolve conflicts as quickly and effectively as possible.

B. Training

All staff and management directly involved with this agreement will be given training on the Collaborative Problem-Solving Process.

C. Process

The Collaborative Problem-Solving Process uses the BOCES values as the base or fabric on which all problem-solving should occur. The first step involves direct communication between the parties who are involved, with the focus on developing a full and complete understanding of each party's perception of the issue or concern. Then, using the values as the base, the commonalities of the parties are identified and solutions are brainstormed that build upon these commonalities. Win-win solutions are the desired goal.

D. Other Means of Dispute Resolution

Although it is the desire of the parties to resolve conflicts and disputes through this process, nothing contained herein shall be construed as limiting the right of either party to exercise other options to resolve issues or problems should it become necessary. For issues relating to this Agreement, the Collaborative Bargaining Team could be asked to consider the dispute.

Article 4 **Association Rights**

- A. The ITPA will have the right to use the Center bulletin board, inter-mail services and, upon prior request, meeting rooms on a space-available, no-cost basis. It is understood that these facilities are not to be used for local, state or federal political activities or purposes.
- B. Copies of this Agreement will be provided for the bargaining unit members by the BOCES.
- C. A copy of all Board Meeting agendas and meeting minutes shall be sent to the ITPA President as soon as they become available.
- D. Upon initial hiring, job descriptions will be furnished to all ITPA employees. In the event that there is a change in an employee's job description, it will be reviewed with the employee. Should a job description be modified, the BOCES will notify the ITPA within ten (10) days of such modification. Should either the BOCES or the ITPA determine that the modification(s) significantly changes the job description, either party may request an immediate review of the modified description. If determination is made by two representatives of ITPA and two representatives of the district that the modified description changes the job title, the BOCES and the ITPA will, within ten (10) days begin negotiating regarding the rate of pay for the new position. Whenever the BOCES creates a new position for which there is no listed title, the ITPA will be notified within five (5) working days of the posting of said position and negotiations will commence to establish a salary for that position.
- E. It is the right of any employee to request that an ITPA representative accompany her/him to any meeting that may involve disciplining of that employee. Discipline is defined as when a formal reprimand for the personnel file may result.

Article 5 **Management Rights**

Subject only to any limitations stated in this Agreement, the ITPA recognizes that the BOCES retains the exclusive right to manage its operations/facilities. This right includes the right to discipline, suspend or discharge employees; to determine the qualifications of employees; to observe and evaluate an employee's job performance and to apply disciplinary action to insure a full day's work for a fair day's wage; and to require employees to observe reasonable BOCES rules and regulations presently in effect and/or to be put into effect, provided they are not in violation of the provisions of this Agreement.

Article 6 **Grievance Procedure**

A. Definitions

A grievance is any alleged violation, misinterpretation or misapplication of any express provision of this Agreement.

Grievant is the person(s) making the grievance, or the Association when it makes the grievance.

Party-in-interest is the grievant(s), or, in the instance of a class action, the ITPA and any member of the unit who is named in the grievance.

Day is any day an employee is required to be in attendance.

Superintendent is the Chief Executive Officer of the Board or any member of the BOCES Administration who has been designated in writing by such officer to act on his behalf.

Failure to present the grievance appeal at any level by the association within the specified times shall be deemed as a settlement of the grievance.

B. Procedure

Level I: Informal Stage

A grievance will first be discussed with the aggrieved person's immediate supervisor, with the objective of resolving the matter informally, at which time the aggrieved person may:

1. Discuss the grievance personally
2. Request the ITPA representative to accompany him/her
3. Request the ITPA representative to act in his/her behalf
4. Request the Collaborative Bargaining Team to review the issue

Failure to present a grievance within twenty days after the occurrence of the claimed grievable event or when the aggrieved persons reasonably should have known of that event shall result in a waiver of all rights involved.

The immediate supervisor shall render his determination to the aggrieved party within eight days after the grievance has been presented.

Level II: Formal Stage

Within five days after a decision has been made at the informal stage, the aggrieved party may submit a written statement to the District Superintendent setting forth the specific nature of the grievance, and why the determination of Level I was not satisfactory.

The Superintendent or his designee will meet with the employee and/or his/her representative within eight days of receipt of the written statement. Within eight days after the hearing, the Superintendent or his designee will answer the grievance in writing.

Level III: Arbitration

If the grievance remains unresolved after the Superintendent's decision, the aggrieved party may submit said grievance in writing to the American Arbitration Association within ten (10) days following the Level II decision date, with a copy served upon the District Superintendent. The Arbitration shall be under the AAA Voluntary Rules.

The decision of the arbitrator will be final and binding on all parties.

The arbitrator will have no power to add to, subtract from or change any provision of this Agreement, nor to render any decision which conflicts with law.

The expense of the arbitration will be shared equally by the ITPA and the BOCES.

C. Sanctions

No person will be penalized in any way or suffer any professional disadvantages by reason of participation in the processing of any grievance.

All documents, communications, records, or any written material dealing with the grievance will be filed separately from the personnel files of the participants in the grievance, and no reference whatsoever to any grievance will appear in any employee's personnel file.

D. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing contained herein shall be construed as limiting the right of any individual employee having a grievance to discuss the matter informally with any appropriate member of the administration and to have the grievance adjusted with or without the assistance of the ITPA.

All processing of grievances shall be done after work hours, unless approved by the Deputy Superintendent.

Forms for filing grievances will be prepared by the BOCES, in cooperation with the ITPA and given appropriate distribution.

Any person to whom a grievance is delivered shall sign and date a receipt for or copy of the same, and the date of the signature shall constitute the submission date or decision date.

A grievance settled informally, without ITPA participation, shall in all respects, be final and binding upon the grievant; provided, however, said settled grievance shall not create a precedent or ruling binding upon any other employee or either party to this Agreement in future proceedings. Said settled grievance shall not in any way be inconsistent with the terms of this Agreement. During its duration, this Agreement shall be controlling.

Article 7 **Dues**

- A. The BOCES will deduct from the salary of any member of the negotiating unit who so authorizes, in writing, the membership dues and fees of the ITPA. The ITPA will have exclusive payroll dues deduction privileges throughout the representation period.
- B. Upon request, the ITPA will be provided the names and addresses of all employees working or receiving benefits under the defined bargaining unit and will receive information concerning any changes of such as they occur.
- C. The total amount of annual dues for the ITPA will be deducted in consecutive equal installments beginning on the first scheduled pay period in each September. Should an ITPA member commence employment after the first pay period, the employee's dues will be deducted in consecutive equal installments, beginning with the first pay period after which an authorized signature has been obtained. The amount of dues and the number of equal consecutive installments will be determined on a yearly basis by the ITPA.
- D. The total amount of accumulated dues deducted will be transmitted to the ITPA Treasurer immediately following each pay period for which deductions are made. Each payment will include a list of employees' names and amount deducted for the ITPA.
- E. The ITPA will give the BOCES Superintendent at least thirty days written notice prior to the effective date of a change in the amount of annual dues, and the deduction amount will be changed on the first scheduled deduction date.
- F. The Business Office will notify the ITPA within ten (10) days should it receive a withdrawal of authorization from an ITPA member.

Article 8 **Payroll Deductions**

- A. The BOCES shall establish a direct deposit arrangement with, or transmit deductions from bargaining unit members' salaries to, banks/credit unions, in the same manner as afforded to other district employees.
- B. The BOCES shall authorize deductions from bargaining unit members' salaries for payments to tax-sheltered annuity programs and the New York State 529 College Savings Program, in the same manner as afforded to other district employees and transmit these payments to the insurance carrier or third party remitter as authorized by the unit member.
- C. An authorization on file with the BOCES for payroll deductions shall be honored until and unless it has been revoked or amended pursuant to the terms and conditions of the signed authorization and by written notice received by the BOCES from either the ITPA or employee.

Effective July 1, 2011, all employees covered by this unit on July 1, 2011 will receive a three point five (3.5%) percent increase on their salary as of June 30, 2011.

Effective July 1, 2012, all employees covered by this unit on July 1, 2012 will receive a three point eight (3.8%) percent increase on their salary as of June 30, 2012.

B. Growth and Development Increases

Growth and Development Increases acknowledge and award employee activity or performance that goes beyond the minimum assigned job tasks. Growth and Development replaces neither an evaluation nor a level advancement. Some criteria of the aforementioned employee activity or performance follow:

- Personal or Professional Development
- Consistency with Strategic Directions
- Exemplary Performance
- Significant Project (e.g., SmartBoard Installation, Database Implementation)
- Some Combination of the above, or other, criterion

Each employee shall be eligible for consideration for an initial Growth and Development Award on June 1 following the completion of two (2) calendar years of employment commencing with his/her date of hire. This two-year period will be extended by one month for each month on which the employee was on an unpaid leave.

Subsequent eligibility for consideration for a Growth and Development Award occurs every two (2) years following the initial eligibility described above.

Each Employee granted a Growth and Development award shall have added to their salary prior to June 30 of their eligibility month an amount not to exceed \$400 (and not less than \$175) for 12-month employees, \$367 (and not less than \$160) for 11-month employees and \$333 (and not less than \$146) for 10-month employees. The District determines the actual amount of this award in accordance with the provisions of this article. An employee who advanced in Salary Grade since July 1 of the previous calendar year shall not receive more than half ($\frac{1}{2}$) of the amount listed above corresponding to their new title.

Periodic conversations, initiated by either the immediate supervisor or the employee, shall include the status of the employee's progress toward earning a Growth and Development Award and what s/he must do, if anything, to be eligible for the maximum award. Either party may record these conversations in writing through a memo or email. No other form or documentation of these conversations is necessary.

Employees shall be notified in writing whether or not they will receive a Growth and

Development award and, if so, how much the award will be.

Either party may bring any dispute arising from the provisions of this article to the Collective Bargaining Team pursuant to Article 3.D. of this Agreement. Should the Collective Bargaining Team be unsuccessful in resolving a dispute, "nothing contained herein shall be construed as limiting the right of either party to exercise other options to resolve issues or problems should it become necessary" except the amount of any award can not be grieved pursuant to the Article 6 Grievance Procedure of this Agreement.

C. Tuition Reimbursement

In order to encourage employees to gain new knowledge and skills that will be of benefit to BOCES in the employee's current position, BOCES will partially reimburse tuition costs in accordance with the following criteria and restrictions:

College courses, technical training courses and other such educational courses that are both related to the employee's current position and produce added benefit to the BOCES would be considered for approval.

Advanced approval of the Deputy Superintendent, based upon the recommendation of the employee's manager and the division director, is required.

Tuition charges for successfully completed courses will be reimbursed according to the following schedule:

- 1) Courses taken in a fiscal year will not receive any reimbursement in that year.
- 2) Forty percent (40%) of the tuition costs will be reimbursed around June 1 of the next fiscal year following the completion of the course.
- 3) An additional forty percent (40%) of the tuition costs will be reimbursed around June 1 of the second fiscal year following completion of the course.

No individual employee may receive more than one thousand (\$1,000) dollars in tuition reimbursement in a single year.

A total of ten thousand (\$10,000) dollars will be budgeted each year for tuition reimbursement. Should less than that amount be required, management will consider using the excess funds for other training activities for ITPA staff. Should there be insufficient funds to reimburse employees at the forty (40%) rate; the reimbursement percentage will be reduced to avoid exceeding the ten thousand (\$10,000) dollar limit

D. Shift Premium

Employees working a regular full shift beginning at or after 2:00 PM will receive a differential of twenty-five (\$.25) cents per hour. Employees working a regular full shift beginning at or after 10:00 PM will receive a differential of thirty (\$.30) cents per hour. This differential will apply to vacation days and paid leave days.

Article 17 Absences and Leaves

All leaves will be available at the beginning of the fiscal year or at the beginning of employment with the anticipation that the employee works the full fiscal year. If an employee leaves the BOCES organization mid-year, a proration of leaves effective that last day worked will be calculated. In the event that an over usage of the prorated amount of leave exists, the appropriate amount will be deducted from the employee's final paycheck to compensate for the overage.
