Article 1

RECOGNITION

A. Recognition of DPEA

The Board of Cooperative Educational Services, Sole Supervisory District (herein called the BOCES), recognizes the Data Processing Employees' Association (herein called the DPEA) as the sole and exclusive negotiating representative for all full-time employees in the defined bargaining unit as described in Section D of this Article. The BOCES will not negotiate or meet with any other employee organization in the determination of salaries, hours of work, fringe benefits, or any other terms and conditions of employment, or for the administration of grievances and disputes arising thereunder. The BOCES and the DPEA agree pursuant to section 208 of Civil Service Law.

- B.** The DPEA affirms that it does not assert the right to strike against the BOCES and it shall not cause, instigate, encourage nor condone a strike.
- C.** The parties agree that no person will be penalized in any way or suffer any professional disadvantage by reason of participation in the Collective Bargaining Unit, as representative, bargaining agent or duly elected officer.

Class C employees will work at least twenty (20) hours per week on a regular salaried basis and receive prorated salaries and prorated benefits except where benefits are specifically defined for Class C employees.

Article 2

Negotiations Process

A. Purpose

Since BOCES is a service agency responsible for meeting the ongoing needs of its clients, ongoing flexibility and change will be required for BOCES to continue as a healthy, responsive organization. Therefore, it is agreed that it is in the mutual interest of all parties to establish a collaborative process for considering and making recommendations on proposed changes affecting the terms and conditions of employment identified in this Agreement.

B. Collaborative Bargaining Process

The collaborative bargaining process will follow the models proposed by Fisher and Ury (interest bargaining) and Covey (win-win agreements). These two models emphasize effective communications to understand the needs and interests of the other parties and then pursuit of solutions that successfully accommodate the needs and interests of both parties. Where possible, external criteria or standards are to be used to judge the appropriateness of the proposed solutions. Rather than making the negotiations process something that occurs annually or when the existing Agreement ends, ongoing problem-solving and changes will be accommodated by an ongoing collaborative bargaining process. Once consensus is reached, proposed changes to the Agreement will require approvals by the official representatives of the two parties to the Agreement.

C. Collaborative Bargaining Team

1. Membership - This Team will consist of a maximum of three DPEA representatives and three BOCES representatives. Outside consultants may be used.
2. Meetings - The Team will meet at least bi-monthly at times and locations mutually agreed upon.
3. Study Teams - It is anticipated that the Team may wish to create study teams to investigate specific issues or problems and to report back to the Team with recommended solutions to these specific issues or problems. Study teams, when established, will only deal with the issue or issues for which they were created and charged.

Article 3

Collaborative Problem-Solving Process

A. Purpose

In order to assure ongoing communication and cooperation among the parties to this Agreement, a communication/problem-solving/conflict resolution process is needed. The goal is to solve problems and resolve conflicts as quickly and effectively as possible.

B. Training

All staff and management directly involved with this agreement will be given training on the Collaborative Problem-Solving Process.

C. Process

The Collaborative Problem-Solving Process uses the BOCES values as the base or fabric on which all problem-solving should occur. The first step involves direct communication between the parties who are involved, with the focus on developing a full and complete understanding of each party's perception of the issue or concern. Then, using the values as the base, the commonalities of the parties are identified and solutions are brainstormed that build upon these commonalities. Win-win solutions are the desired goal.

D. Other Means of Dispute Resolution

Although it is the desire of the parties to resolve conflicts and disputes through this process, nothing contained herein shall be construed as limiting the right of either party to exercise other options to resolve issues or problems should it become necessary. For issues relating to this Agreement, the Collaborative Bargaining Team could be asked to consider the dispute.

Article 4

ASSOCIATION RIGHTS

- A. The DPEA will have the right to use the Regional Information Center bulletin board, inter-mail services (excluding automated systems such as CEO and PROFS) and, upon prior request, meeting rooms on a space-available, no-cost basis. It is understood that these facilities are not to be used for local, state or federal political activities or purposes.
- B. Copies of this Agreement will be provided for the bargaining unit members by the BOCES.
- C. A copy of all Board Meeting agendas and meeting minutes shall be sent to the DPEA President as soon as they become available.
- D. Upon initial hiring, job descriptions will be furnished to all DPEA employees. In the event that there is a change in an employee's job description, it will be reviewed with the employee. Should a job description be modified, the BOCES will notify the DPEA within ten (10) days of such modification. Should either the BOCES or the DPEA determine that the modification(s) significantly changes the job description, either party may request an immediate review of the modified description. If determination is made by two representatives of DPEA and two representatives of the district that the modified description changes the job title, the BOCES and the DPEA will, within ten (10) days begin negotiating regarding the rate of pay for the new position. Whenever the BOCES creates a new position for which there is no listed title, the DPEA will be notified within five (5) working days of the posting of said position and negotiations will commence to establish a salary for that position.
- E. It is the right of any employee to request that a DPEA representative accompany her/him to any meeting which may involve disciplining of that employee. Discipline is defined as when a formal reprimand for the personnel file may result.

Article 5

MANAGEMENT RIGHTS

Subject only to any limitations stated in this Agreement, the DPEA recognizes that the BOCES retains the exclusive right to manage its operations/facilities. This right includes the right to discipline, suspend or discharge employees; to determine the qualifications of employees; to observe and evaluate an employee's job performance and to apply disciplinary action to insure a full day's work for a fair day's wage; and to require employees to observe reasonable BOCES rules and regulations presently in effect and/or to be put into effect, provided they are not in violation of the provisions of this Agreement.

GRIEVANCE PROCEDURE

A. Definitions

A grievance is any alleged violation, misinterpretation or misapplication of any express provision of this Agreement.

Grievant is the person(s) making the grievance, or the Association when it makes the grievance.

Party-in-interest is the grievant(s), or, in the instance of a class action, the DPEA and any member of the unit who is named in the grievance.

Day is any day an employee is required to be in attendance.

Superintendent is the Chief Executive Officer of the Board or any member of the BOCES Administration who has been designated in writing by such officer to act on his behalf.

Failure to present the grievance appeal at any level by the association within the specified times shall be deemed as a settlement of the grievance.

B. Procedure

Level I: Informal Stage

A grievance will first be discussed with the aggrieved person's immediate supervisor, with the objective of resolving the matter informally, at which time the aggrieved person may:

1. Discuss the grievance personally
2. Request the DPEA representative to accompany him/her
3. Request the DPEA representative to act in his/her behalf
4. Request the Collaborative Bargaining Team to review the issue

Failure to present a grievance within twenty days after the occurrence of the claimed grievable event or when the aggrieved persons reasonably should have known of that event shall result in a waiver of all rights involved.

The immediate supervisor shall render his determination to the aggrieved party within eight days after the grievance has been presented.

Level II: Formal Stage

Within five days after a decision has been made at the informal stage, the aggrieved party may submit a written statement to the District Superintendent setting forth the specific nature of the grievance, and why the determination of Level I was not satisfactory.

The Superintendent or his designee will meet with the employee and/or his/her representative within eight days of receipt of the written statement. Within eight days after the hearing, the Superintendent or his designee will answer the grievance in writing.

Level III: Arbitration

If the grievance remains unresolved after the Superintendent's decision, the aggrieved party may submit said grievance in writing to the American Arbitration Association within ten (10) days following the Level II decision date, with a copy served upon the District Superintendent. The Arbitration shall be under the AAA Voluntary Rules.

The decision of the arbitrator will be final and binding on all parties.

The arbitrator will have no power to add to, subtract from or change any provision of this Agreement, nor to render any decision which conflicts with law.

The expense of the arbitration will be shared equally by the DPEA and the BOCES.

C. Sanctions

No person will be penalized in any way or suffer any professional disadvantages by reason of participation in the processing of any grievance.

All documents, communications, records, or any written material dealing with the grievance will be filed separately from the personnel files of the participants in the grievance, and no reference whatsoever to any grievance will appear in any employee's personnel file.

D. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing contained herein shall be construed as limiting the right of any individual employee having a grievance to discuss the matter informally with any appropriate member of the administration and to have the grievance adjusted with or without the assistance of the DPEA.

All processing of grievances shall be done after work hours, unless approved by the Deputy Superintendent.

Forms for filing grievances will be prepared by the BOCES, in cooperation with the DPEA and given appropriate distribution.

Any person to whom a grievance is delivered shall sign and date a receipt for or copy of the same, and the date of the signature shall constitute the submission date or decision date.

A grievance settled informally, without DPEA participation, shall in all respects, be final and binding upon the grievant; provided, however, said settled grievance shall not create a precedent or ruling binding upon any other employee or either party to this Agreement in future proceedings. Said settled grievance shall not in any way be inconsistent with the terms of this Agreement. During its duration, this Agreement shall be controlling.

Article 7

DUES AND DEDUCTIONS

- A. The BOCES will deduct from the salary of any member of the negotiating unit who so authorizes, in writing, the membership dues and fees of the DPEA. The DPEA will have exclusive payroll dues deduction privileges throughout the representation period.

- C. The total amount of annual dues for the DPEA will be deducted in consecutive equal installments beginning on the first scheduled pay period in each September. Should a DPEA member commence employment after the first pay period, the employee's dues will be deducted in consecutive equal installments, beginning with the first pay period after which an authorized signature has been obtained. The amount of dues and the number of equal consecutive installments will be determined on a yearly basis by the DPEA.
- D. The total amount of accumulated dues deducted will be transmitted to the DPEA Treasurer immediately following each pay period for which deductions are made. Each payment will include a list of employees' names and amount deducted for the DPEA.

SALARIES

A. Salary Increases

Effective July 1, 1993, all employees covered by this unit on July 1, 1993 will receive a 3% increase on their salary as of June 30, 1993, plus an additional \$300 salary increase.

B. Growth and Development Increases

In order to recognize growth and development during the first two years a person works in a particular position and after a minimum of four years that a person works in a particular position, a growth path and salary increases are established as described below.

- a. A new employee enters the organization or starts in a new position at the Entry level.
- b. After two years of satisfactory performance, the employee moves to the Competent level.
- c. After a minimum of four years in a particular position, an employee may request to be moved to the Skilled level.

The time periods that employees work in a position will be based on the date of appointment in a position by the BOCES Board and will be extended if an employee is on a Leave of Absence which extends beyond thirty (30) days. The extension will equal the length of the Leave of Absence.

Employees who are new to a particular position will move from the Entry level to the Competent level over a two-year period and receive salary increases effective after twenty-six (26) weeks, one year and two years in that particular position. Based on management review, salary increases of \$100 to \$175 will be provided for Satisfactory growth and development and salary increases of \$176 to \$250 will be provided for Very Good to Excellent growth and development.

After an employee has been in a particular position for a minimum of four years, he/she may request review by a joint team of management and DPEA representatives to move from the Competent level to the Skilled level. A salary increase of \$200 to \$350 will be provided for Satisfactory growth and development and a salary increase of \$351 to \$500 will be provided for Very Good to Excellent growth and development. (The Collaborative Bargaining Team will establish a Study Team to provide recommendations to implement this provision of the Agreement as of January 1, 1994.)

C. Stipends for Additional Responsibility

In order to meet the ongoing needs of its clients, BOCES and DPEA agree that extra responsibilities will need to be assumed by individual employees at various times throughout their employment at BOCES. Some may be short term, while others are long term. Some may be requested by management whereas in other cases employees may volunteer to take on additional responsibility. The Collaborative Bargaining Team will review requests for stipends for additional responsibilities. Stipends will reflect the scope of responsibilities, accountability and authority that are assigned to the individual. Stipends do not become a permanent part of salary and will be removed in the event the responsibility is no longer assumed by the employee.

In the review of a request for a stipend for higher level responsibilities, the Collaborative Bargaining Team may determine that a new position title should be created. The Collaborative Bargaining Team will work with the Personnel Department to determine the appropriate title for the position. The Collaborative Bargaining Team will negotiate to establish a salary for the new position.

D. Educational Growth

1. Salary increases of \$20 per credit hour, effective July 1st of each year, will be paid for approved college credits that are related to the employee's position and successfully completed during the previous year. Prior approval must be obtained from the Deputy Superintendent. Transcripts or grade reports will be required to substantiate the credits.
2. To encourage the ongoing professional development and educational improvement of employees so that they are well prepared to meet changing client needs, annual appraisals will include a Developmental Plan that includes specific training/educational needs and how these needs will be met.

E. Services Growth Incentive

In order to provide an incentive for employees to promote service growth and to maintain current clients, up to \$10,000 will be available for distribution. Equal stipends will be distributed around June 1st to each DPEA employee in the bargaining unit since July 1st of the previous year. Unless precluded by other agreements, all other full-time RIC staff will also receive such a stipend. Regularly employed part-time RIC staff will also receive a pro-rated stipend. The total amount actually distributed will be computed by subtracting service drops (i.e., revenue lost from RIC clients who dropped services) from service increases (i.e., revenue gained from RIC clients who added services) and taking twenty percent of the difference. Service drops and service increases will be based on final service requests for the subsequent year that are received by the RIC by May 15th. A Study Team will be established to administer this process.

F. Shift Premium

Employees working a regular full shift beginning after 3:30 PM will receive a differential of \$.25 per hour. Employees working a regular full shift beginning after 11:30 PM will receive a differential of \$.30 per hour. This differential will apply to vacation days and paid leave days.

G. Attendance Incentive

A maximum of \$3,000 will be available for distribution to employees who have perfect attendance or superior attendance as defined by the Collaborative Bargaining Team.

H. Initial Salaries

The BOCES retains the right to hire employees at a salary based upon the individual's personal qualifications, prior experience and educational/technical/vocational background.

Article 11

When management determines that a shift transfer is necessary, volunteers will be sought.

E. Each employee will receive two (2) break periods per full day of employment, consisting of 10 minutes duration each.

This will apply when the employee is specifically requested to work his/her day off or is called to come in to work for an emergency or problem situation, on his/her day off. An employee's day off is defined as a day he/she is not scheduled to work, such as a Saturday or Sunday (for an employee normally scheduled to work Monday through Friday), a holiday, or an approved vacation or leave day.
